140300026 03/24/14 Burglary – Victim reported that he stored his boat at Inlet Harbor Marina. Sometime between 03/12 and 03/19 someone had entered his boat and took some navigational equipment. Victim reported that he discovered the theft on 03/19 but did not report the theft until the 24th due to the fact he was leaving Town on business. Victim is attempting to get serial numbers for the investigation. A review of surveillance cameras shows no angles that show his boat directly. Case Continued.

140600007 06/06/14 Vandalism – Several Mangroves were cut down on Town property without permission. Mangroves are a protected plant by State Statute. The neighborhood was canvassed however at the time there were no witnesses to the incident. As of this time PIPD has taken statements for this case and there is a witness who has identified the suspect. A complaint affidavit has been filed with the State Attorney charging Criminal Mischief and we are awaiting a decision. Case Continued.

140600035 06/30/14 Theft – Daytona Beach PD contacted victim via telephone to advise that they had recovered his boat in their jurisdiction. Victim advised that he did not know it was stolen and he had parked it at a local boat dock where he paid fees for storage. Daytona Beach PD advised that the boat had been reported as having been abandoned after witnesses had observed two Latino males park it and begin taking some electronics off of it. PIPD went to the storage area within Town and secured video footage of the boat being taken by a w/m and w/f in a white Dodge Pickup. The boat has been recovered and is in working condition however the trailer is still missing. Several items totaling less than $1000 were found missing. Case is continued.
