150500034 05/23/15 Burglary (Business) – Victim reports that when opening for work he noticed that one of the case registers in his business was out of place. Further investigation found that money was missing from the register and several bottles of expensive liquor were missing from the establishment. After contacting PIPD surveillance records were reviewed. The suspect is seen on the property at 0204 hrs and climbs over a fence to gain entrance. The suspect is wearing a towel over his head covering his face and wears gloves. The suspect is seen moving through the business until he appears to leave around 0219 hrs. The video is extremely hazy and identification of the suspect will be extremely difficult as his face is covered extremely well and his arms and legs are covered (as if he possibly has tattoos). Case is continued.

150500052 05/29/15 Burglary (Business) – Reporting party stated that when she reported for work she found that a door to the business was found slightly opened. When she checked the business she found that the door to a safe, which was bolted down, had been pried open and over $700.00 in cash had been taken. A review of the video finds that an individual entered the business at around 2230 hrs the previous evening by manipulating the locking device. The suspects face is seen clearly on the video and also some distinct tattoos. Investigation found that the suspect is a friend of a former employee of the business. When confronted by PIPD the suspects tattoos were distinctly observed and he was placed under arrest for Burglary, Theft, and Criminal Mischief. Case Closed by arrest.
