150300051 03/21/15 Burglary (Conveyance) – Victim parked his vehicle in an off beach parking lot and went to the beach. When he returned to his vehicle, 30 minutes later, he found the driver's side window broken out. Although the vehicle had been rummaged through he found that nothing was missing from the vehicle. There appeared to be some blood on the center console which may be from the suspect. Said blood has been submitted to FDLE and we are awaiting DNA results. UPDATE: There have been no matches in the DNA data base on this case. Case is inactive pending new leads. Case Inactive.

150300073 03/30/15 Shoplifting – Convenience store advised that a W/M came into the store to purchase cigarettes. Store clerk placed the cigarettes on the counter and the suspect grabbed them and ran from the store. Video surveillance showed good photos of the suspect and has been sent out to all law enforcement agencies in Volusia County. UPDATE: Although photos of the victim have been circulated no one has come forward to identify the suspect. Case will be reopened when new information surfaces. Case Inactive.

150400048 04/19/15 Theft – Victim reported that she was purchasing some items at a convenience store and had left her car keys and her debit card on the counter while she shopped. When she returned she found that both the keys and the card were missing . A review of the video from the store revealed a W/M in his 20's had taken the items (see photo of suspect below). Photos have been sent out to other agencies for possible identification. To date no attempts were made to use the debit card. UPDATE: To date there has been no new information on the suspect and no identification has been made. No use of the debit card was reported. Case will be reopened when new information of identification is made. Case Inactive.

150500034 05/23/15 Burglary (Business) – Victim reports that when opening for work he noticed that one of the cash registers in his business was out of place. Further investigation found that money was missing from the register and several bottles of expensive liquor were missing from the establishment. After contacting PIPD surveillance records were reviewed. The suspect is seen on the property at 0204 hrs and climbs over a fence to gain entrance. The suspect is wearing a towel over his head covering his face and wears gloves. The suspect is seen moving through the business until he appears to leave around 0219 hrs. The video is extremely hazy and identification of the suspect will be extremely difficult as his face is covered extremely well and his arms and legs are covered (as if he possibly has tattoos). Case is continued.

150500052 05/29/15 Burglary (Business) – Reporting party stated that when she reported for work she found that a door to the business was found slightly opened. When she checked the business she found that the door to a safe, which was bolted down, had been pried open and over $700.00 in cash had been taken. A review of the video finds that an individual entered the business at around 2230 hrs the previous evening by manipulating the locking device. The suspects face is seen clearly on the video and also some distinct tattoos. Investigation found that the suspect is a friend of a former employee of the business. When confronted by PIPD the suspects tattoos were distinctly observed and he was placed under arrest for Burglary, Theft, and Criminal Mischief. We are still investigating the former employee for possible charges. Case Continued.

NOTE: CAD-generated statistical reports are compiled from a live database of calls for service; this live database requires frequent call updating to ensure real time data is correct and maintained. When compiling and comparing statistics over time, minor discrepancies are inherent and should be expected. For final report information on crime, Uniformed Crime Reporting (UCR) statistics should be utilized.
