COMMENTS

150900037 09/26/15 Burglary – Victim reports that while doing a remodel of a residence someone entered the garage and took several items including chainsaws and generators. The victim reported that they had recently fired an employee however did not have his full name. A check of pawns has been negative at this time. The fired employee has been identified however at this time there is nothing linking him to the burglary. All leads in this case have been exhausted at this time. Case Inactive pending new leads.

151000009 10/09/15 Theft – Victim reports that someone took his bicycle from an underground garage at his condominium. The bicycle was hung from a rack however it is unknown if it was locked. The garage door is left open during normal business hours on weekdays. The victim last saw the bicycle two days prior to discovery of it missing. Victim registered his bicycle with the Ponce Inlet Police Department and the serial number has been entered into NCIC/FCIC. Bicycle will remain in NCIC/FCIC and case is Inactive.

151000013 10/12/15 Theft – Victim chained her bicycle to a bicycle rack in her condominium garage (not same area as Case 151000009). The next day she found that the bicycle was missing and the lock had been cut. There is no video and no serial number available for the missing bicycle. As there are no leads case is Inactive.

CIU
MONTHLY
STATS

151000043 10/29/15 Burglary – Victim reports that they came to their condo on 10/28 at 2130 hrs and found that three televisions had been removed. They were taken from various rooms in the residence. They were able to provide makes and models but no serial numbers. No other items were missing and there was no evidence of forced entry. The victim states that he last saw the televisions on 10/01/15. He did have friends stay at the condo however they did lock the residence back up when they left. He further advised that a contractor had been to the residence for an estimate on remodeling however while he was there he was on the phone with the victim the entire time and the contractor locked the residence and returned the key to him. Check of recent pawns was negative. There is no video evidence available on the premises. Case Continued.

NOTE: CAD-generated statistical reports are compiled from a live database of calls for service; this live database requires frequent call updating to ensure real time data is correct and maintained. When compiling and comparing statistics over time, minor discrepancies are inherent and should be expected. For final report information on crime, Uniformed Crime Reporting (UCR) statistics should be utilized.
