150900028 09/19/15 Theft – Victim reports that sometime during a three week period someone entered her condominium and removed jewelry from a jewelry box on her dresser. She advised that she always keeps her condo locked and there was no forced entry. The only person who would have been in the residence may have been a pest control employee who was escorted by maintenance from the condo. A check of the pawn data base was negative for the missing jewelry. Further questioning of management found that this condo is a rental and management does not have a key to enter for pest control. Questioning of neighbors found that the children of the complainant normally have many youths going in and out of the residence. Many times neighbors have seen the door left open with no one at home. As of this time there are no new leads and this case is Inactive.

150900037 09/26/15 Burglary – Victim reports that while doing a remodel of a residence someone entered the garage and took several items including chainsaws and generators. The victim reported that they had recently fired an employee however did not have his full name. A check of pawns has been negative at this time. The fired employee has been identified however at this time there is nothing linking him to the burglary. Case Continued.

151000009 10/09/15 Theft – Victim reports that someone took his bicycle from an underground garage at his condominium. The bicycle was hung from a rack however it is unknown if it was locked. The garage door is left open during normal business hours on weekdays. The victim last saw the bicycle two days prior to discovery of it missing. Victim registered his bicycle with the Ponce Inlet Police Department and the serial number has been entered into NCIC/FCIC. Case Continued.
