Dear

On behalf of the Ponce Inlet Town Council, I invite you to attend a workshop to determine whether there is a sufficient interest in paying a special assessment for the dredging of these canals. This special assessment would be directed to those who own properties adjacent to these canals and thus would include residents on Old Carriage Road, Anchor Drive, and the portions of South Peninsula Drive in this area with canal front property.

This workshop will be held on **Thursday, January 19th, 2017 at 1:00 p.m.** in the Ponce Inlet Town Council Chambers, 4300 South Atlantic Avenue in Ponce Inlet.

You are strongly encouraged to attend this meeting. Your input is critical in determining whether any project will be undertaken by the Town. Should you be unable to attend, you may send your comments in writing either by email or letter to be provided to the Town Council for consideration at this meeting.
