

Ponce Inlet Permit Fee Waiver

The Ponce Inlet Town Council has authorized the waiving of certain permit fees for damage caused by Hurricane Matthew. This shall apply to, but not be limited to, roofing repairs for shingles, broken windows and/or doors, fences that fell down or other similar repairs resulting from damage caused by Hurricane Matthew. Additionally, a waiver is in place for any permit fees for sign replacement and/or repair of signage damaged or destroyed as a result of Hurricane Matthew and for the removal of trees threatening the life, safety, or welfare of the Town residents or businesses related to damages resulting from Hurricane Matthew. Permits and inspections are still required, only the fees are waived.
