

Water System Improvement Project

As many of you are probably already aware, the Town of Ponce Inlet is in the process of upgrading the Water System. This Project is currently affecting, or will soon be affecting the following streets:

- Michael Lane
- Dixie Drive
- Oceanview Avenue
- Sailfish Drive
- South Peninsula from Jana Drive to Seahaven Drive
- South Peninsula from Inlet Harbor Road to Beach Street

We appreciate your patience through this process, and encourage you **to** call the Public Works Department at [\(386\)322-6729](tel:(386)322-6729) if you have any questions or concerns.
