2011080341 (Carbreak) – Victim reports that someone entered his unlocked vehicle and took an AR-15 firearm from the vehicle along with a wallet with credit cards. The cards were used twice for fuel in the Daytona area. We were only able to obtain video from one of the stations and although no clear a B/M is seen using the card at the pump. It is possible that after the card was stolen it was sold to someone else. The firearm had a scope which has a serial number which has been entered into NCIC/FCIC. UPDATE: The firearm was recovered during a drug raid in Seminole County along with another firearm that was stolen from Daytona Beach. We have recovered the firearm and are in the process of returning it to the owner. The suspects in this case have been arrested by Seminole County for the possession of stolen property. Case Closed by Arrest.

2011090009 Theft – Victim reports that his roommate moved out of his residence and he found several items missing. Victim had little information on the roommate who appeared to be an acquaintance that was staying with him for a short period of time. Investigation identified the roommate through his driver's license, however his current location is not known. UPDATE: The suspect has appeared to have left the state. As of this time we have no location on the suspect or property. Upon further information we will reopen this case. Case Inactive

We have filed charges with the State Attorney on the suspect and await a decision on if they will charge the suspect. Case Continued.

111200008 Fraud – Victim placed an item on sale on Craigslist and made arrangements to sell it to a local individual at his residence. The suspect paid the victim \$120.00 in US Currency. One of the bills that was used (\$50.00 bill) was found to be counterfeit by a local bank. The bank seized the bill for return to the Secret Service. The victim was only able to give a description of the individual who used the bill and knew him only as Bob. There have been several stores that have received counterfeit currency throughout Volusia County and investigation is being conducted with other agencies to see if this is related. Case Continued.

111200011 Fraud – Victim reported that someone had used their debit card to withdraw money from several ATM's throughout the area. An investigation found a w/m on video using this card, however the victim had the card in her possession. Further investigation has found that several other agencies throughout Volusia have had reports of similar incidents. The suspect in the photos matches the other agencies video. It has been found that all of the victims used their card at the same service station during the previous month. Daytona PD found a skimmer on several of the pumps at this service station that was reading cards and PIN's as they were used. UPDATE: The suspect in this case has been identified. He has made a full confession and was arrested for Identity Theft and Grand Theft. Case Closed by Arrest.
