When compiling and comparing statistics over time, minor discrepancies are inherent and should be expected. For final report information on crime, Uniformed Crime Reporting (UCR) statistics should be utilized.

The victim had the serial number for the missing IPOD and it has been placed in NCIC/FCIC as stolen. UPDATE: Regular checks of pawn shops locally and in surrounding counties have been negative. Item will remain in NCIC/FCIC pending recovery. At this time there are no further leads to follow. Case is Inactive at this time. Case Inactive.

12020008 Theft – Victim reports that her Apple I Phone turned up missing after a party with friends in the area. There were numerous persons at the party and witnesses are reluctant to talk as underage drinking was prevalent. The father of the victim was able to provide information on the missing cell phone to include the serial number. The cell phone has been entered into NCIC/FCIC as stolen. UPDATE: Regular Pawn Checks as well as checks through Leads On Line (this includes ebay and other network sites) are negative at this time. We will continue to check other outlets to find if the phone is attempting to be sold. Case Continued

12020011 Theft – Report of one pallet of ceramic roof tile taken from a drive way on an occupied residence that was undergoing renovations. The incident occurred over a weekend and the residents of the home were in residence. When the worker returned on the Monday following the weekend they found one of the pallets was empty and standing on its side. The color of the missing ceramic was unique and there was not enough of it to cover a roof. The items were also extremely

heavy and a truck would be needed to move them. There are no suspects at this time and constructions sites nearby were checked. UPDATE: Checks with construction companies have been negative for anyone attempting to sell roof tiles. A check of scrap yards has also been unproductive in this case. Case will remain open for another month to insure that no other attempts are made to sell items. Case Continued.

120200016 Burglary (Conveyance) – Victim reported that someone entered her vehicle illegally and took several small items. The victim did not report the incident until eight days later due to the fact that only a bottle of vitamins was missing. She decided to report the event when she realized that a set of keys was missing, and these keys opened several local realty offices. There is no evidence to process due to the lag in reporting and the victim just wanted a report made. As the victim does not wish to pursue the matter at this time the case is closed exceptionally. Closed Exceptionally

120300031 Theft – Victim reported that their camera was stolen while they went parasailing. She advised that she had placed the camera under a bench along with other items. She and her husband went up in the parachute and when they came down they returned to the boat and she found that some of her items were moved. They confronted the crew and were allowed to search the entire boat with negative results. They reported the incident as a theft to PIPD. UPDATE: There is video that shows the victim with a strap on her arm that is consistent with a camera case as she is preparing to go up, when she returned the strap was missing. There is no indication that a theft occurred and the entire boat was searched prior to anyone being able to dispose of the missing camera. This report is being changed to a lost property report due to no evidence of a crime. Case Unfounded.

120400009 Burglary (Vessel) – two victims with their boat docked at Harbor Village Marina had their fishing rods and reels stolen from the boat between 3/2 and 3/5 (the report was not made until 4/4). The rods and reels were not secured on the vessel and there are no serial numbers or witnesses available. Pawn checks and EBay checks were made based on the descriptions with negative results. Case Continued.

120400013 Grand Theft – Owner of two jet skis had a friend drop off her skis and a trailer at the Inlet Harbor Dry Dock storage. Approximately one month later, the victim came to Inlet Harbor to use the skis and employees were unable to locate the skis. The victim provided registration information and both were entered into NCIC/FCIC. The trailer was not entered as at this time the owner did not have title for it and was in the process of transferring. Case Continued.
