0 UNFOUNDED

COMMENTS

130200013 02/11/13 (Burglary) – Victim reports that they left a surfboard in their garage and last saw at 0700 hrs. At 1500 hrs they found that the surfboard was missing from its location. Victim states that the garage door was secure and she had checked with all family members to see if they had taken it. Value on surfboard was \$400.00. Case Continued

130200024 02/19/13 (Fraud) – Victim reports that someone used her credit card illegally in numerous locations throughout Volusia Mall and Holly Hill. Victim is a resident of the Town and has no idea how someone took her card. A check of the locations found video of a B/F using the card. There appears to be an accomplice with her but at this time no video of the suspect has been found. Numerous photos have been sent to area agencies to see if the suspect can be identified. Case Continued.

130300016 03/18/13 (Fraud) – Convenience store clerk received a telephone call from someone identifying themselves as an official from corporate headquarters. He was told that he needed to run some gift cards through the register in an effort to update the system. He loaded the gift cards with amounts that all remained under 500.00. A total of \$3000.00 was fraudulent obtained through this transaction. Video surveillance was reviewed and found that the clerk was on the telephone during these transactions and at this time we have no evidence that he was involved. This is a known scam and has been perpetrated on other businesses in the Daytona Area. Case Continued.

CIU MONTHLY STATS

130300025 03/09/13 (Suspicious Incident) – An elderly resident reported that someone stole her jewelry while she was at the 7-11. The incident occurred on 03/06/13 however the victim did not report the incident till 03/25/13. She states that she had been in the store purchasing Lottery Tickets. She states that her jewelry was in a plastic bag inside her open purse. While she was scratching off the tickets she states that a male subject came up beside her and grabbed her rear end. She believes that he then reached in her purse and took the jewelry. A review of video surveillance finds that the reporting party had stepped out of camera range while scratching off tickets. A w/m is seen leaving the store from the area where the victim was however he had nothing in his hand. All video surveillance has been reviewed however no concrete evidence is seen that a theft occurred at this time. Pawn checks are being conducted in an effort to see if the jewelry has been pawned. Case Continued.

130400004 04/03/13 (Theft) – Victim reports that her Apple iPad had been stolen from her residence. She knew of several persons who were on the property but had no suspects. The iPad had a built in GPS which was pinged to locate. The results showed that the item was at a game store that traded for items in Port Orange. PIPD went to the store and recovered the item and found that it had been sold by a female who was not at the victims residence. The victim further reported that another portable computer was missing. A check of the suspect found that she had also pawned the item at a pawn shop in Daytona Beach. Both items have been recovered and returned to victim. Charges are pending against the female who pawned them and investigation is continuing to find the suspect who took the item so appropriate charges may be filed also. Case Continued.

130400007 04/06/13 (Carbreak) – Victim reports that he parked on Lighthouse Drive and went walking around Town for a while. When he returned he noticed that his iPhone was missing from the vehicle. Further check found that some phone accessories were missing also. There was no forced entry however the sunroof on the vehicle was partially open. Check for fingerprints was negative. An attempted ping on the phone was negative as it may be shut off. Case Continued.

130400011 04/09/13 (Theft) – Victim reports that he has a grill that was stored by the dumpsters of his condominium. He last used the grill on 04/08/13 and when he checked on 04/09 he found that the grill was missing. Check with maintenance found that they had no information on whereabouts or witnesses to incident. Case Continued.

130400033 04/27/13 (Theft) – Victim reports that she placed a camera behind a counter at the Marine Science Center during a large event. When she returned several hours later the camera was missing. Serial number was recovered and was entered into NCIC/FCIC. Case Continued.

NOTE: CAD-generated statistical reports are compiled from a live database of calls for service; this live database requires frequent call updating to ensure real time data is correct and maintained. When compiling and comparing statistics over time, minor discrepancies are inherent and should be expected. For final report information on crime, Uniformed Crime Reporting (UCR) statistics should be utilized.
