## COMMENTS

130700031 07/23/13 (Carbreak) – Victim parked her vehicle at Oceanview off beach parking and went down to the beach. When she returned she found her rear passenger window broken and her purse missing. There were no witnesses to the incident however while checking with her credit card company she found that one of her cards had been used for gasoline in Daytona Beach. We traveled to the station where the card was used and did obtain some video. No identifying suspect information was obtained from the video footage available. No further attempts were made on victim's credit cards. Case status changed to Inactive pending further leads/information.

130700032 07/23/13 (Carbreak) – This case is related to the above case as both vehicles were burglarized at the same time and location. The rear passenger window was broken out and an I-Pad taken from the back seat. Pawn checks for I-Pad reveal no matches to date. Case status changed to Inactive pending further leads/information.

130800012 08/13/13 (Burglary) – Victim is a part time resident of the area and had her representative report that someone had entered their residence on S. Atlantic Ave. Entry was gained through a side door by prying the bolt lock out to open door. Several items including a bed, television, chairs, and kitchen supplies were taken. Several more expensive items were left behind. Locks were changed on the residence. No forensic evidence has been retrieved at this time. Extra patrols continued at this address during the month of November. Continued checks for non-serialized property continued (including private sales, second hand dealers, social media, etc.), with no matches found to date. Case Continued.

# CIU MONTHLY STATS

130900002 09/01/13 (Auto Theft) – Victim parked his vehicle in an off beach parking area and left keys hidden near the vehicle. When victim left for a short period to go to the beach, the vehicle was stolen. Two days later the vehicle was recovered by Holly Hill PD. The vehicle was processed and a suspect has been developed. Fingerprints and other evidence lead to the prime suspect in this case however at this time there is only proof of the suspect being in the vehicle and nothing to prove that he took the vehicle. Numerous attempts to locate/contact known suspect have been unsuccessful to date. Case Continued.

130900041 09/30/13 (Carbreak) – Victim reports that she parked her vehicle in a parking garage at her condominium. She left all doors unsecured when leaving the vehicle. When she returned approximately 12 hours later she found that her cell phone (which was left charging in the vehicle) was missing from the cup holder next to her seat. Pawn checks were conducted for the stolen phone with no matches found. Case Continued.

131000004 – 10/04/2013 (Theft) – Victim reported leaving his mountain bike in front of his home unlocked. Bicycle removed overnight, between 1130 PM and 0545 AM, and was valued at \$250. The serial number is not available for the bicycle. No known suspects or witnesses. Neighbor's security camera was not yet in service at time of theft. Pawn checks conducted with negative results. This case possibly related to 131000005 below. Case continued.

131000005 – 10/04/13 (Burglary) – Victim reported that someone entered his lanai area and took two wet suits and a surfboard. Said lanai had been left unsecure during the overnight hours. There was no evidence to process. A check of all local surf shops and pawn shops were negative. Pawn, other resource checks were conducted with negative results. Case continued.

131000029 10/25/13 Theft – Suspect stole a small outboard motor off a vessel parking by Sea Love Boat Works. There were no witnesses to the incident and no video surveillance available. We have put out a flyer to other agencies looking for similar cases. No serial number available for the motor. Pawn checks were continued with negative results. Possible suspect footprint evidence was obtained. Case Continued.

**NOTE:** CAD-generated statistical reports are compiled from a live database of calls for service; this live database requires frequent call updating to ensure real time data is correct and maintained. When compiling and comparing statistics over time, minor discrepancies are inherent and should be expected. For final report information on crime, Uniformed Crime Reporting (UCR) statistics should be utilized.
