COMMENTS

130800012 08/13/13 (Burglary) – Victim is a part time resident of the area and had her representative report that someone had entered their residence on S. Atlantic Ave. Entry was gained through a side door by prying the bolt lock out to open door. Several items including a bed, television, chairs, and kitchen supplies were taken. Several more expensive items were left behind. Locks were changed on the residence. No forensic evidence has been retrieved at this time. Extra patrols continued at this address during the month of November. Continued checks for non-serialized property continued (including private sales, second hand dealers, social media, etc.), with no matches found to date. As no suspects and no new evidence has been found case is inactive pending new leads. Case Inactive.

130900002 09/01/13 (Auto Theft) – Victim parked his vehicle in an off beach parking area and left keys hidden near the vehicle. When victim left for a short period to go to the beach, the vehicle was stolen. Two days later the vehicle was recovered by Holly Hill PD. The vehicle was processed and a suspect has been developed. Fingerprints and other evidence lead to the prime suspect in this case however at this time there is only proof of the suspect was in the vehicle. Numerous items belonging to suspect were in the vehicle. The suspect refused to be interviewed as he wished to have an attorney. This case has been forwarded to the State Attorney with all evidence to date. They have declined to prosecute this case as we have no evidence that the suspect actually stole the vehicle and only that he was in it. Case Closed.

131000004 – 10/04/2013 (Theft) – Victim reported leaving his mountain bike in front of his home unlocked. Bicycle removed overnight, between 1130 PM and 0545 AM, and was valued at \$250. The serial number is not available for the bicycle. No known suspects or witnesses. Neighbor's security camera was not yet in service at time of theft. Pawn checks conducted with negative results. This case possibly related to 131000005 below. Case is Inactive pending new leads. Case Inactive.

Victim advised that the router was left by mailboxes and taken by an individual who is unknown. Investigation on case 131200017 may find that this case is related. We have the serial number on missing router and are attempting to match with possible pawns in area. Case Continued.

131200002 12/02/13 Theft – Three victims report that mail has been stolen from their mailboxes. In each case they observed suspects taking mail from the mail box. The pieces taken had financial information in them. Contact was made with numerous banks in area and several checks that were stolen were bleached and attempted to be cashed by suspects. Jurisdictions where the attempted cashing took place were contacted and all information turned over to them for possible charges. As the majority of the crimes associated with this incident occurred in another jurisdiction this case is turned over to another agency for processing.

131200017 12/22/13 Theft – This case was opened as a suspicious incident when several open and empty boxes were found in the 4300 blk of S. Atlantic. Investigation found that they had been delivered to the same condominium however different victims. Packing slips were tracked to individual owners and found that the items had been stolen from the mail room of this condo. Video surveillance identified a suspect for this incident. PIPD has been matching up owners with the found packages and all are willing to prosecute. As the victims have come in we have assigned different case numbers to each victim. As of this date we are preparing felony charges against suspect. This case is related to cases: 131200018, 131200019, 131200020, 131200023, 131200028. Case is continued.

He then runs out the front door and turns south where he disappears from view. Photos of the suspect have been reviewed and to date not identified. The store will prosecute if identified. Case Continued.
