141000031 10/12/14 Theft – Victim initially reported that an unknown female had stolen a bicycle from his condo parking garage. A witness and the victim’s daughter had seen the woman trying to ride away and had told her to stop. The woman returned the bicycle advising that she was just borrowing it. The suspect was allowed to leave the area before police arrived. When officers arrived on scene the victim advised that although he recovered this bicycle another had been missing for over 24 hours. He advised that it had been parked in the same area and not locked. He advised it was a black Onyx Beach Cruiser but he had no serial numbers. There were some identifying marks on it. There is no video in the area where this bicycle was located. Attempts to identify the unknown female are negative at this time. To date there is no evidence identifying the suspect. Case is Inactive pending new leads.

141000044 10/23/14 Burglary – Officers responded to a burglar alarm and upon arrival found the front door to the residence pried open. After checking the residence for suspects officers found that numerous pieces of jewelry had been removed from the master bedroom and stacked near the front door of the residence. It appeared that the delayed alarm caused the suspects to panic and they exited through a back door. Several pieces of jewelry were discovered in the back yard. The residence was processed for evidence. The victim returned and it appears that the suspects left behind all property as the victim reports nothing missing. Three suspects have been identified as they were stopped by officers near the area where the incident occurred however at this time there is no evidence placing them at the scene of the crime. Case Continued.

CIU MONTHLY STATS

141200005 12/02/14 Burglary – Local condo reports that someone broke into a common area closet and took a table from the closet. The burglary occurred sometime between 11/26/14 and 12/02/14. There were pry marks on closet and what appeared to be a fabricated key. Attempts to get fingerprints were negative. The table was the only missing item, however there were many other items of more value that were valuable. At this time the condo association has decided not to prosecute this case and only wished to document the case. It is closed exceptionally.

141200041 12/27/14 Suspicious Incident – A juvenile was found in an extremely inebriated state to the point where she did not know where she was. Said juvenile stated that she took some form of drug while out with friends, and does not remember much of the incident. The juvenile was found covered in sand and there were indications of sexual activity. At current time there is no evidence that a crime has been committed. We are awaiting tests from the victims clothing to see if any sexual activity was involved. The victim at this time is very uncooperative. Case Continued.

150100006 01/05/15 Burglary (Conveyance) – Victim reports that sometime between 12/08/14 and 12/26/14 someone took a rod and reel set from his boat which was parked at Harbor Village Marina. He stated that he did some checking on his own with crew members so that was the reason why it took him so long to report. There was no forced entry to the vessel however the owner kept a key hidden in the outboard to the vessel. No physical evidence available. Case Continued.

150100017 01/10/15 Burglary (Conveyance) – Victim reports that someone entered his vehicle during overnight hours of 01/09/15 and took several items including a complete set of golf clubs in a golf bag. Investigation found that the golf bags and a set of binoculars were pawned at a shop in Daytona Beach less than 24 hours later. A suspect has been identified and her fingerprints matched those that were on the pawn slip. We are currently attempting to locate the suspect to make an arrest. Case continued.

150100031 01/16/15 Theft – Victim reports that someone removed two bicycles that had been locked to a bicycle rack at his condominium. The lock had been cut and the bicycles removed from the area. Victim reported that he did not have much information on the bicycles but gave a general description. Several days later when contacted for follow-up investigation victim reported that he found that his condo association had cut the locks and removed the bicycles because they were not registered. The victim withdrew his complaint. Case is Unfounded.

150100033 01/19/15 Theft – Victim reports that someone stole a set of golf clubs from his residence. After speaking with an informant who had some information a suspect in this case has been identified. The suspect is the victim's juvenile son who has a drug addiction. It appears that the suspect may have sold the golf clubs to a private individual in Port Orange. Case Continued.
