141200041 12/27/14 Suspicious Incident – A juvenile was found in an extremely inebriated state to the point where she did not know where she was. Said juvenile stated that she took some form of drug while out with friends, and does not remember much of the incident. The juvenile was found covered in sand and there were indications of sexual activity. At current time there is no evidence that a crime has been committed. We are awaiting tests from the victims clothing to see if any sexual activity was involved. The victim at this time is very uncooperative. Case Continued.

150100006 01/05/15 Burglary (Conveyance) – Victim reports that sometime between 12/08/14 and 12/26/14 someone took a rod and reel set from his boat which was parked at Harbor Village Marina. He stated that he did some checking on his own with crew members so that was the reason why it took him so long to report. There was no forced entry to the vessel however the owner kept a key hidden in the outboard to the vessel. No physical evidence available. There are two cases that occurred in February from the same area and are being looked at as related (150200017 and 150200024). Case Continued.

150100017 01/10/15 Burglary (Conveyance) – Victim reports that someone entered his vehicle during overnight hours of 01/09/15 and took several items including a complete set of golf clubs in a golf bag. Investigation found that the golf bags and a set of binoculars were pawned at a shop in Daytona Beach less than 24 hours later. A suspect has been identified and her fingerprints matched those that were on the pawn slip. Suspect has been charged and is currently in custody. Case Closed by Arrest.

CIU MONTHLY STATS

150200017 02/11/15 Theft – Reporting party advised that a boat had been stored on property. Work had been done on the boat for one week and then it was stored on the second story of the dry storage area. About a week after storage it was found that a trolling motor from the boat was missing. There was no recoverable evidence and the boat was located in an area with no cameras. There was a similar case with some video evidence that occurred several days later with some video evidence and it is currently being investigated as possibly related (150200024). Case Continued.

150200024 02/16/15 Theft – Reporting party advised that they were preparing a boat to be sold and discovered that a trolling motor was missing from the bow of the boat. RP advised that prior to the report the motor had been seen on the boat. A check of video evidence does have a suspicious vehicle pulling in next to the boat and remaining there for about 40 minutes and the occupants appear to remain. No clear video of the suspects however we are working on processing the photo of the vehicle. This case is being investigated in relation to 150100006 and 150200017. Case Continued.

150300018 03/09/15 Theft – Victim reports that his motorcycle trailer that he stores at a local marina has been stolen. He advised that he last saw the vehicle in January 2015 and allowed workers to borrow the trailer from time to time. He was contacted by one of the workers asking if he would loan it out. The worker thought that the victim had the trailer as he had not seen it in the parking lots since January also. The victim checked with all workers and all denied that they had used the trailer. The trailer has been entered into NCIC/FCIC as stolen. Case Continued.

150300022 03/11/15 Theft – There are 4 other cases connected to this case. They are 150300036, 150200044, 150300058, and 150300062. All will be reported here. All victims had outgoing mail, containing checks, removed from their mailbox on different dates. Investigation identified the suspect in these cases who was found to be cashing checks at different banks. After the suspect was identified we advised all jurisdictions in Volusia County. The suspect was apprehended by Ormond Police attempting to cash fraudulent checks in their jurisdiction. After the suspect was apprehended it was found that he had numerous checks that had been stolen from different jurisdictions both inside and outside of Volusia County. The next day Ormond Police contacted PIPD advising that the vehicle had been involved in a serious crash in their jurisdiction. The vehicle key and tag were recovered at the scene however the vehicle was not drivable. Two juvenile males were in the vehicle and transported to the hospital. The driver of the vehicle was charged by Ormond Beach Police with numerous charges including the grand theft of the vehicle. This case is closed exceptionally.
