## COMMENTS

150800061 08/31/15 Elderly Exploitation – The victim is a 93 year old female who has had an individual who is living with her for the past three years. During that time the individual suspect has convinced the victim to sign a quick claim deed for her residence and has gained access to her bank account where she has taken over \$40,000.00 in funds. Bank records have been subpoenaed from three different institutions in two different states and received. Reviews with the victim and her accountants have identified forged financial instruments as well as unauthorized withdrawals. This case remains open however the victim is speaking with an attorney at this time and will make a decision if she wishes to continue with the case. Case Continued.

151000043 10/29/15 Burglary – Victim reports that they came to their condo on 10/28 at 2130 hrs and found that three televisions had been removed. They were taken from various rooms in the residence. They were able to provide makes and models but no serial numbers. No other items were missing and there was no evidence of forced entry. The victim states that he last saw the televisions on 10/01/15. He did have friends stay at the condo however they did lock the residence back up when they left. He further advised that a contractor had been to the residence for an estimate on remodeling however while he was there he was on the phone with the victim the entire time and the contractor locked the residence and returned the key to him. Check of recent pawns was negative. UPDATE: Although we have identified suspects in this case they cannot be located for interviews. Case closed pending further information.

160100013 01/12/16 Theft – Victim reports that a house guest had taken cash, credit cards, keys and other items from her purse and residence. Victim had been asleep in her room and the suspect was sleeping in another room. When victim woke up she found numerous items out of place and the listed items missing. The victim's children also stated that they saw the suspect leaving with a backpack but could not see what was inside of it. A charging affidavit was completed however

never signed by the victim. Suspect denied any knowledge of a theft. Case Closed Exceptionally due to lack of cooperation by victim.

160100032 01/26/16 Theft – Victim had a contractor come by to give an estimate on some work to be done on her residence. The victim noticed that after the contractor left, her IPAD was missing from a counter in the kitchen. The victim stated that the contractor had acted a little suspicious but did not witness him taking the IPAD. After investigation it appears that the contractor in this case was not involved in the missing IPAD. Case Inactive pending new leads.

160200041 02/23/16 Theft – Victim was being transported to hospice by medical transport company. One of the employees took her ring from her advising that he would keep it for her and give it to hospice employees. The ring was never turned over to any employee of hospice. We have identified two transporting personnel and are attempting to interview them. The victim recently contacted Ponce Inlet PD to advise that the missing ring had been found at her residence. Case Unfounded and closed.

160300024 03/05/16 Criminal Mischief – Suspect vehicle caused damage to local condominium by crashing through a steel gate. Earlier in evening the suspect vehicle had caused damage in a hit and run at Ayres Park. The suspect vehicle was found in the parking garage of the condo complex that had been vandalized. Parts from the previous hit and run were found in the grill of the vehicle. The suspect in the case is the owner of the vehicle however he has refused to be interviewed. Fingerprints taken from the vehicle were deemed unusable by VCSO Fingerprint analysis. Case Continued.
