1 RESOLUTION NO. 2015-17

2 A RESOLUTION OF THE TOWN COUNCIL OF THE
3 TOWN OF PONCE INLET, VOLUSIA COUNTY,
4 FLORIDA; ESTABLISHING AN AD HOC FACT FINDING
5 COMMITTEE TO DETERMINE THE LEVEL OF
6 INTEREST FOR PARTICIPATION IN NEIGHBORHOOD
7 COST-SHARING OF A CANAL DREDGING EFFORT
8 SPECIFIC TO THE EMERALD ISLE AND YACHT HAVEN
9 SUBDIVISIONS; PROVIDING FOR CONFLICTING
10 RESOLUTIONS; PROVIDING FOR SEVERABILITY; AND
11 PROVIDING FOR AN EFFECTIVE DATE.

12 WHEREAS, in 2010, residents of the Emerald Isle and Yacht Haven subdivisions alerted
13 the Ponce Inlet Town Council to the apparent sediment buildup in the adjacent canals, which
14 they reported had made these canals too shallow in some areas for navigation; and

15 WHEREAS, the Town Council authorized the preparation of a Navigable Waterway
16 Maintenance Program briefing document, prepared by Tetra Tech, Inc., in an attempt to
17 determine how best to address this issue for this area and possibly constructing additional canals
18 in the Town; and

19 WHEREAS, upon presentation of this briefing document, a survey to determine the level
20 of interest for participation in cost-sharing along with the citizen's perceived need for dredging
21 was authorized, and included all citizens with property abutting a canal; and

22 WHEREAS, the citizen survey of 2010 did not produce results that encouraged the
23 Town Council to proceed with organizing any dredging efforts at that time; and

24 WHEREAS, in 2015, a resident of the Emerald Isle subdivision has reignited this issue
25 and suggested there may be interest from this area for the Town to assist with the organization of
26 a dredging project, including establishment of a special assessment for the affected properties for
27 its funding and continued maintenance.

28 NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COUNCIL OF THE
29 TOWN OF PONCE INLET, FLORIDA:

30 **Section 1. Formation of Committee**

31 The Town Council hereby establishes an Ad Hoc Committee of not more than
32 five (5) members whose purpose is strictly limited to fact-finding and determining

34 dredging effort specific to the Emerald Isle and Yacht Haven subdivisions. The
35 Committee may, as part of its fact-finding mission, obtain information regarding
36 financing and other aspects of similar dredging projects from nearby communities
37 and subdivisions. The official action of the Committee is solely limited to the
38 gathering of information but may not extend to evaluation of that information or

39 formulation of recommendations based on that information. The failure of the
40 Committee to observe this strict, fact-finding only, limitation on its duties could
41 lead to a violation of the Sunshine Law, Florida Statute 286.011, and subject
42 Committee members to civil and criminal penalties. The members of the
43 Committee will be appointed by the Town Council and the Chairperson of the
44 Committee will be appointed by the Committee from amongst its members. The
45 Committee shall conduct its activities and prepare a written report to the Town
46 Council incorporating the fact-finding results from the Committee as related
47 strictly to this subject alone. All materials made or received by the Committee in
48 connection with its official business which are used to perpetuate, communicate
49 and formalize knowledge are subject to the Florida Public Records Act, Chapter
50 119, *Florida Statutes*.

51 **Section 2.** **Timeline for Committee**

53 have approximately seventy-five (75) days from the date of appointment of
54 Committee members to perform its assigned duties, prepare a report detailing
55 their findings and report their findings at the next regularly scheduled Town
56 Council meeting following the aforementioned seventy-five (75) day period. An
57 extension to this timeline may be granted by the Town Council at the request of
58 the Committee Chair.

59 The Committee's final report shall be delivered to the Town Council and Town
60 Staff no later than one (1) week prior to the Town Council meeting at which the
61 Committee presents its report to the Town Council. Upon completion of assigned
62 duties, the Committee shall be deemed to have fulfilled its purpose and shall no
63 longer exist.

68 April 18th, 2016 – Presentation of report from Committee to Council.

69 **Section 3.** **Conflicting Resolutions**

70 All resolutions in conflict herewith are hereby repealed to the extent of such
71 conflict.
