

Meeting Date: August 18, 2016

Agenda Item: 13-A

Report to Town Council

Topic: Consideration of moving the date for the regularly scheduled meeting in September, from the 15th to the 22nd

Recommended Motion: As determined by Council.

Summary:

If this change is made, it will allow Councilmember Milano to attend and participate in the regular meeting. However, the millage rate & budget adoption meeting must remain on a separate date because Volusia County is holding it's 2nd reading of the budget on the 22nd and we cannot choose the same date.

It should be noted however that the Volusia League of Cities (VLC) meeting is scheduled for September 22nd, so Council would have to forego that for this bi-monthly VLC meeting, if this change is made.

Requested by: Councilmember Milano
