

Meeting Date: August 18, 2016

Agenda Item: 13-B

Report to Town Council

Topic: Determination of the meeting date for the Old Carriage Road and Anchor Drive canal dredging discussion.

Recommended Motion: As determined by Council.

Summary:

Due to deadlines associate with the Town's Evaluation and Appraisal Report (EAR), along with staff changes / shortages in the Planning & Development department, Mr. Joulani previously requested this item not be heard prior to the October regular meeting. Mr. Joulani has revised this request, stating that the November regular meeting would work better to allow him time to best prepare for it, given the October 31st EAR deadline.
