

MEMORANDUM
TOWN OF PONCE INLET
OFFICE OF THE FIRE CHIEF

The Town of Ponce Inlet staff shall be professional, caring, and fair in delivering community excellence while ensuring Ponce Inlet citizens obtain the greatest value for their tax dollar.

To: Jeaneen Witt, Town Manager
From: Daniel Scales, Fire Chief
Date: August 3, 2022
Subject: July 2022 Fire Department Report

Attached to this memo are the following items.

- Department incident summary for the month of July (with graph)
- Report from the Deputy Fire Chief/Fire Marshal summarizing his activities for the month as well as the three duty shifts
- July fire training summary for the fire department
- Summary of activities from fire department Office Manager

The Ponce Inlet Fire Department (PIFD) responded to 113 incidents for the month of July, with 69 of the responses falling under the EMS category.

The fire department responded to one vehicle fire in town that resulted in minor damage to the vehicle only.

The fire department transported 56 patients in July: 19 transports from Ponce Inlet, 37 from out-of-district; the average number of transports in 24 hours was 1.8. There were 0 times in July that Ponce Inlet needed an outside agency to transport. The Ponce Inlet Fire Department has a minimum staffing requirement of 4 shift personnel; while 2 personnel July be sent for an out-of-district transport, 2 personnel remain in town and the county performs reciprocal transport until our ambulance returns.

Fire Department turnout data is included with the other call related information. The fire department's goal is to have the 90th percentile time for both medical and fire calls meet the NFPA standards. In July, the fire department met the 90th percentile for fire responses. The 90th percentile for fire department EMS responses for July was close to the NFPA standard. The fire department is continuing to work on improving the reporting equipment responsiveness as well as increasing awareness of the crews to the time spent on getting the vehicles underway to emergency calls.

The accreditation team continues to meet and work on the remaining modules of the Community Risk Assessment/Standard of Cover document. Module 3 is currently in draft form, soon to be completed.

In July, the fire department hosted a regional water rescue training program at the dog beach of the Lighthouse Point Park. The training consisted of various water rescue techniques necessary to extricate victims from the water, with one station simulating the removal of a victim from a submerged vehicle. Ponce Inlet hosted over 100 firefighters from all over southeast Volusia County.

The fire department continues to monitor the tropics for the current hurricane season. We recommend that you check the Town's website for information on storm related details. www.ponce-inlet.org
